

RAVS Plus Evaluation – Claimed Out of Scope Declaration

Our company is submitting this Claimed Out of Scope Declaration to certify its exemption from certain RAVS Plus evaluation requirements. Based on our company's selected work type(s) in ISNetwork and the written program requirements of our company's hiring client(s), the Inapplicable Program(s) listed below were included in the set of written programs that our company is required to maintain and implement. However, our company certifies that it is not required to maintain or implement the Inapplicable Program(s) for one or more of the following reasons:

☐ We have never performed work that would require the written program(s) to be implemented.

Inapplicable Program(s): _____

☐ We have not performed work in the past three years that would require the written program(s) to be implemented.

Inapplicable Program(s): _____

☐ We have implemented the written program(s), but portions of the applicable regulation do not apply for the following reason(s): _____

Inapplicable Program(s): _____

☐ Other (Please Explain): _____

Inapplicable Program(s): _____

I have the authority and knowledge necessary to make the above certification. To the best of my knowledge, all above information is true, accurate, and complete.
