Dear Tri-M Group Contractors,

Tri-M Group has established a relationship with JJ Safety VCMS® to further enhance and streamline our contractor management program. As a result, contractors and subcontractors performing services for Tri-M are required to subscribe to the JJ Safety VCMS (Virtual Contractor Management System) and complete all required qualification elements by **MM/DD/YYYY**.

JJ Safety helps hiring companies, contractors and suppliers of all sizes understand and implement safety process and contractor vetting requirements, they are an excellent partner to Tri-M. Because we know this relationship will benefit all parties involved Tri-M has paid for your company's annual subscription.

All Tri-M Group contractors must complete the contractor questionnaire and submit the required documents to be considered for future work. The documents include the following:

- W-9
- DE Contractor Registry Form (If Applicable)
- Financial Statement
- List of Major Projects
- Certificate of Insurance
- Experience Modification Rate (EMR)
- OSHA 10 Cards
- OSHA 300/ 300A Logs

Go to <https://tri-m-vcms.jjsafetyllc.com> and register now to start your VCMS® subscription. For any questions you can contact Joe Powder at 866-627-3850

Safety is our number one priority! Your company's cooperation, and participation in this compliance and implementation solution furthers our goal to maintain a safe working environment to all of our collective employees and job sites.

Sincerely,

Joe Powder
